### **Event Summary:**

Team ITSA of the Information Technology Department of VPPCOE and VA organized an event named Peer-to-Peer Learning. The event was held in Room No. 203 of VPPCOE & VA. The timing of the event was from 12:20 p.m. to 1:20 p.m.

The Technical Knowledge Exchange event aimed to facilitate a collaborative learning environment where one student from TE IT possessing distinct technical knowledge of Java shared his knowledge among 45 attendees. The candidate was the Speaker, Karan Vishwakarma from TE IT B. The event provided an opportunity for participants to expand their understanding of diverse technical subjects and foster a culture of learning within the academic community. The event not only accomplished the task of sharing technical knowledge of Java but also helped the candidate increase their coding skills. The event was carried out under the guidance of Prof. Nilesh Mali and Prof. Vedika Avhad. A certificate of appreciation was given to the student.

The audience engaged in a question-and-answer session with the candidate. Following the Q&A sessions, an open discussion was facilitated to encourage knowledge sharing among attendees.
